(*) *WE1*: Mark of the writing evaluation carried out the 18th of March.

CW: Classroom-work. Average mark of all the activities carried out in class (including deliverables, presentations, participation, behaviour, and etcetera).

FMP1: Final mark of the first part of the subject. This is calculated as the average mark of *WE1* and *CW*.

Important note: As stressed in class there is no formal revision procedure for both the *WE1* and *CW* marks, since they are not formal exams. Anyway, if a student wants to discuss his/her mark (especially on *WE1*) he/she should send a message to the lecturer (iheras@ehu.es) in order to receive an appointment for that purpose.
